Red Letter Challenge

I want to thank all who joined us on this 40-day journey. When we focus on Christ's words we pursue Christ with all our hearts. May God continue to use us to do mighty things for his kingdom!

Pastor Anna and Kevin are looking into continuing with periodic church-wide studies and Sunday morning discussions. The next study will most likely be an Advent Study, starting on December 3rd. More information to follow.

PathWay's Outreach Event

We would like to thank everyone who participated and volunteered for our first "Gather With Neighbors" event on October 14th. We had 54 new visitors to PathWay! The children that attended had a great time with the arts and crafts, outdoor games, and bounce house. Looking forward to doing it again next year! If you would like to see a video of the event, please click here: [Gather with Neighbors Video](#)

There are multiple ways to serve in this outreach which include providing a full box of the items needed (list below and on top of baptistery), donating any items on the shopping list, and/or joining Pearce Church on Thursday, November 16th at 9:30 to help pack the boxes. Please place all donations on the baptistery **by November 5th**. If you have any questions, please reach out directly to Sue Cooman.

Global Missions Month - November

The Local Outreach and Global Missions Committee has designated November as the Global Partners Missions Awareness Month. Each week we will highlight the missionaries we support and learn how their work impacts the lives of those who do not know Christ.

On November 5th, the McFredericks, one of the Global Partners we support from the Czech Republic, will be at PathWay and will be sharing how God is using them to bring the gospel message to others. Please plan to join us after service for a catered luncheon in the Community Room.

Exponential Multipliers Cohort

Pastor Anna will be joining a group of 20 other Wesleyan pastors from around the nation as a participant in a Multipliers Cohort. This cohort is part of the Exponential Learning Community which represents thousands of pastors from all denominations. She will be traveling to Nashville, TN to attend the first, out of three, 2-day sessions on November 15-16th.

As always, please feel free to reach out to Pastor Anna, or any member of the LBA (Earl, Kevin, Tom, or Bob) if you have any questions.

Blessings,
Anna
